

What can you do with a Bachelor of Arts degree in Psychology from SPU?

The BA in Psychology at Seattle Pacific University provides an excellent background for employment in work where interpersonal understanding and skills are needed. It also prepares you for additional studies in areas such as counseling, teaching, medicine, pastoral ministry, and law.

You will choose one of the following tracks in the major: Animal Behavior, Clinical-Counseling Psychology, Community Psychology & Behavioral Health, Cross-Cultural, Data Analytics, Developmental Psychology, Psychological Science, Social-Personality Psychology, or Sports Psychology.

Potential occupations include:

- Academic Advisor
- Behavior Analyst
- Child Life Specialist
- Corporate Recruiter
- Employment Counselor
- Public Relations Specialist
- Mental Health Worker
- Manager/Supervisor
- Victim Advocate
